COLLABORATIVE PARTNERSHIP

LEARNING THROUGH TRANSFORMATIVE EDUCATION

The world of technical education is changing. We live in an age of exposure and value addition; and it takes more than a strong academic qualification to achieve one's fullest potential. NTTF provides an opportunity for a holistic learning that covers conceptual learning, skill development, mentoring, interaction with experienced trainers, industry-focused Programs, skills for global competence, extra curricular activities and personal growth.

OUR EXPERIENCE, OUR EXPERTISE

For nearly 62 years, NTTF has transformed the lives of many industry leaders, entrepreneurs amongst its distinguished alumni. NTTF provides its students a deeply transformative experience intellectually, socially, and personally that will prepare them for a life of citizenship and leadership. NTTF training is designed to prepare students with the following attributes:

- ▶ Career and job readiness
- ▶ Design thinking and problem-solving
- ▶ Technology-enabled learning
- ▶ E-learning
- ▶ Deep technical knowledge
- ▶ Practical / Skill-oriented training
- ▶ Confidence & Self-reliant professional skills
- ▶ Placement assistance through campus selection

Students who have completed 2-year full-time ITI course are eligible to apply for DIPLOMA Programs under 'Lateral entry scheme' directly for second year admissions for Tool Engineering & Digital Manufacturing / Electrical & Electronics / Electronics Engineering & Embedded System / Mechatronics Engineering & Smart Factory/ Manufacturing Technology only.

CERTIFICATION:

- ▶ Diploma certificates will be awarded by NTTF
- ▶ The successful trainees will also be eligible for additional certificates under NSQF (National Skills Qualification Framework) year on year, based on the student's performance in the assessment test conducted by the relevant SSC (Sector Skill Council). Certification will be issued by SSC and NSDC.
- ▶ **CONCURRENT PROGRAM:** Trainees on successful completion of the concurrent B.Voc program will receive NTTF Diploma Certificate and the B.Voc Certificate from respective University

SELECTION: Through Written test and Interview conducted by NTTF. Practice test papers are available at <http://nttfsampletest.edusquares.com/> The Entrance examination will be computer enabled and questions will be based on the Class 10 level Mathematics, Science and simple aptitude. NTTF Admission Entrance Test takes place from January to May months. Interested candidates can walk-in.

RESERVATION: Up to 25% reservation for rural students and up to 30% reservation for female students. Admission is offered to all eligible candidates from all States of India, who successfully complete the NTTF Entrance examination fulfilling the stipulated educational qualification requirement and the admission criteria of NTTF. At NTTF Electronic city centre, all eligible candidates from Karnataka will be given admission subject to meeting the admission criteria as stated above. At NTTF Electronic city campus, 60% seats are reserved for Karnataka domicile candidates, of which half the number of seats is earmarked for candidates from rural areas of Karnataka. Irrespective of the reservations, NTTF at Electronic city campus will admit all candidates hailing from/ domicile of Karnataka, subject to their meeting the eligibility criteria applicable for students pan India for the courses offered at NTTF Electronic city campus.

SKILL LOAN: Being a Partner of National Skill Development Corporation (NSDC), NTTF can make the necessary recommendations to Banks to extend Skill Loan in line with the Government Notification No.8-8/2014-SD&E (VOL.II) dated 20.11.2015. The sanction and disbursement is subject to fulfilling the requirements of Banks.

SCHOLARSHIP: Deserving meritorious students from economically weaker sections will be considered for NTTF scholarships.

PLACEMENTS (CAMPUS SELECTIONS): NTTF hosts Campus Interviews by reputed industries across its centres pan India. Every year, campus selections will be scheduled during January to May months.

FURTHER EDUCATION: NTTF opens up good prospects for candidates looking to pursue higher Studies. Some of the Universities* have recognized NTTF Diploma for further studies/ lateral entry to BE/ B.Tech courses. Apart from this, NTTF Diploma holders with 3 years of work experience can now pursue B.E. course (1-Year distance education) from Lincoln University, Malaysia. NOCN & NCC of UK also offers higher education opportunities as NTTF diploma holders. (Applicable to programs accredited by NOCN / NCC).

OPPORTUNITIES FOR LEARNING INTERNATIONAL LANGUAGE:

Students can learn foreign languages (German & Japanese) during the program.

**Visit our website for more details. Such admission will be at the discretion of those institutions offering lateral entry. It is the responsibility of the candidate to verify this before seeking admission*

FAQs:

What are the eligibility criteria for admissions to different courses?

The criteria are clearly mentioned in the table showing COURSES OFFERED. Check these criteria before you apply. Age to be reckoned as on 31-12-2023. Age relaxation up to 2 years is permitted for differently-abled candidates.

What is the admission process?

Admission to NTTF is based on performance in the Competitive Entrance Examination conducted through a simple and objective type computer enabled test and also performance in Mathematics and Science in the qualifying examination (Class 10/Class12/ ITI/ +2). Further details about the examination will be given along with the hall ticket.

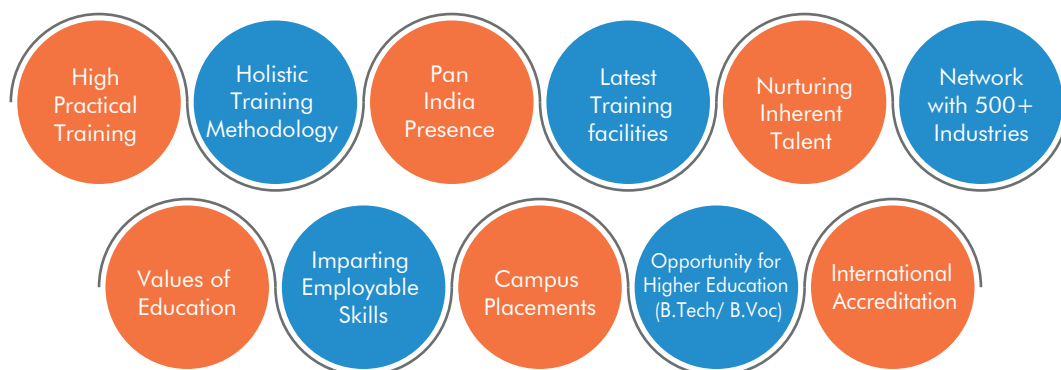

How can I apply to NTTF?
