

INNOVATOR

Newsletter from Nettur Technical Training Foundation (NTTF)

NTTF celebrates its 65th Foundation Day, marking a remarkable journey of empowering skills, fostering innovation, and shaping futures. Across campuses, this milestone was commemorated with vibrant activities, including road shows, tree plantations, technical exhibitions, and alumni reunions. These celebrations reflect NTTF's enduring legacy of excellence, community spirit, and commitment to technical education. As we honor this incredible journey, we continue to drive progress, inspire innovation, and transform lives, staying true to the vision that has guided us since 1959. NTTF's 60th Convocation celebrated graduates as they begin their successful careers, reinforcing NTTF's legacy of excellence. Here's to celebrating the past and building a brighter future together!

Innovator is our bi-monthly newsletter to keep you updated on our partnerships, programs and innovative pursuits in catalysing impactful action through education and training. Join us in our journey as we continue to reach the next milestones!

CELEBRATING 65 YEARS OF NTTF: A LEGACY OF EXCELLENCE AND INNOVATION

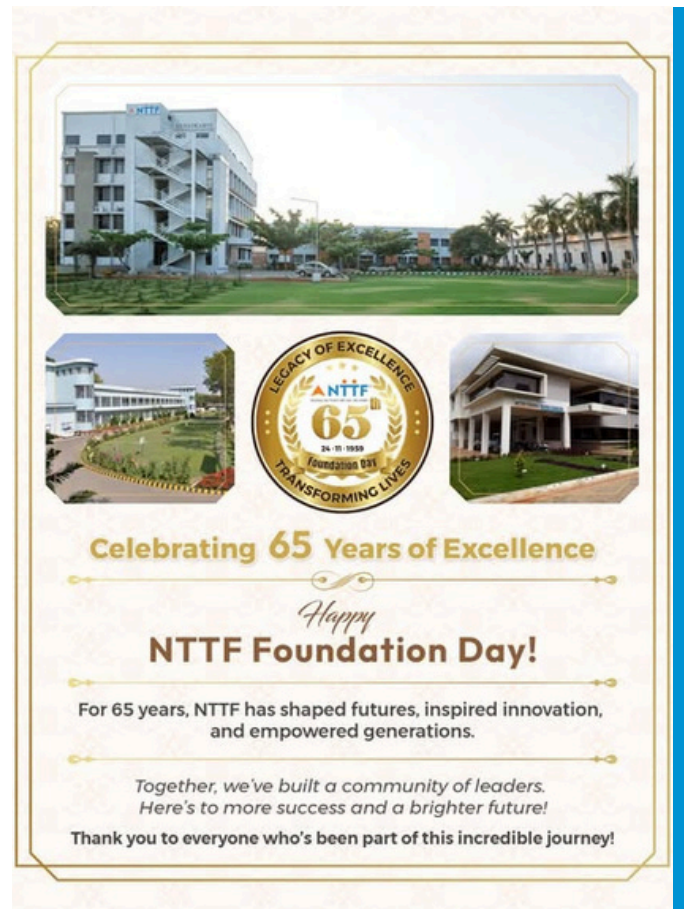

65th NTTF Foundation Day!

For over six decades, NTTF has been at the forefront of world-class skill development, shaping futures, inspiring innovation, and empowering generations.

This milestone is a tribute to the dedication and support of our trainees, staff, industry partners, and alumni. Your contributions have fueled our journey, helping us create opportunities, transform lives, and foster a spirit of leadership and innovation. As we look ahead, we remain focused on achieving new milestones, reaching greater heights, and building a sustainable future rooted in excellence.

Since its humble beginnings in 1959, NTTF has charted a remarkable journey of growth and transformation. Established with the vision of advancing technical education, the institution has consistently adapted to the evolving needs of the industry. Along the way, NTTF has achieved key milestones that reflect its enduring commitment to excellence.

From empowering countless students with cutting-edge skills to contributing significantly to India's industrial growth, NTTF's legacy is one of impact and innovation. This journey has been

shaped by a shared vision to drive progress and empower generations through technical education and skill development. As we celebrate 65 years of NTTF, we honor this incredible legacy and remain steadfast in our promise to continue building futures and transforming lives. Thank you for being an integral part of this inspiring story. Together, let's make the next chapter even brighter!

NTTF CELEBRATES 65 YEARS OF EXCELLENCE

NTTF Celebrates 65 Years of Excellence with a Special Logo Design Contest

As NTTF marks its 65th Foundation Day, we embarked on a celebratory journey to honor our legacy and commitment to excellence. As part of the festivities, NTTF hosted a Logo Design Contest, inviting creative minds from across our community to design a logo that captures the spirit of this milestone.

The response was overwhelming, with numerous submissions showcasing talent, creativity, and a deep connection to NTTF's values and vision. After careful evaluation, we are thrilled to announce that the winning design was created by Mr. Manjunath M.K., a respected faculty member from the DTC campus.

Why this logo stood out:

- It beautifully encapsulates 65 years of excellence and innovation.
- Reflects NTTF's enduring impact and vision for the future.
- Adhered to the guidelines of being modern, vibrant, and unified.

The design exemplifies the journey of NTTF and its promise to continue shaping futures through technical education and skill development. We extend our heartfelt congratulations to Mr. Manjunath and gratitude to all participants for their remarkable efforts.

MESSAGE FROM MR.LANCELOT, SECOND BATCH OF CPOI

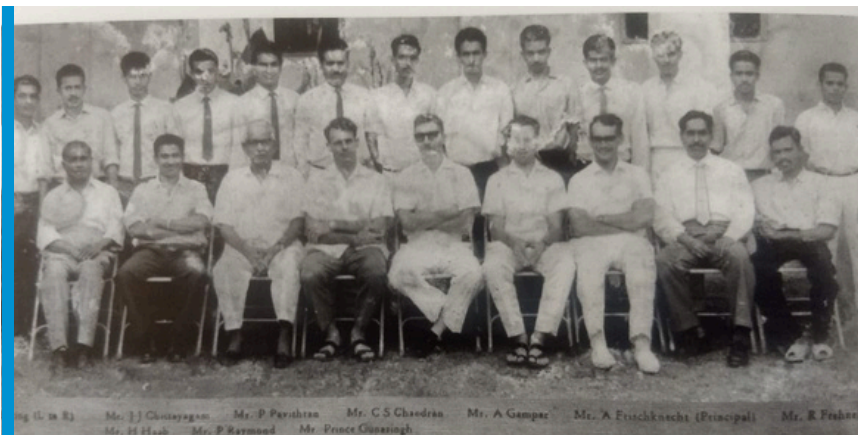

The 65th Alumni Annual Day Function of NTTF was a remarkable celebration of camaraderie, nostalgia, and pride in our alma mater. A sincere note of appreciation to the organizers, volunteers, and everyone who contributed to making this event a grand success.

From the seamless coordination to the thoughtfully planned activities, the event fostered an atmosphere of togetherness and reflection. It was a privilege to reconnect with old friends, relive cherished memories, and witness the enduring strength and vibrancy of the NTTF alumni community.

A special acknowledgment to Sri. Ayyappan, Principal, for his extraordinary efforts in ensuring this occasion was truly memorable. We look forward to welcoming him to Bangalore for further discussions with alumni, whose practical experiences can immensely benefit the current generation of trainees. Thank you once again for your dedication and hard work in strengthening the bonds within the NTTF alumni network. Here's to many more successful gatherings that inspire and connect us all!

Warm regards,
Lancelot A.K.

NTTF's First Three Batches

MEET THE NTTF ALUMNUS WHO BUILT AN INSPIRING CAREER IN THE TECH INDUSTRY

"NTTF focuses on practical, real-world application of concepts, giving you the exposure and skills to implement what you learn in actual industry settings," says **Mr. Vinod Parackal, Senior Engineering Manager at Dell EMC (NTTF alumnus)**.

Nettur Technical Training Foundation (NTTF) completes 65 years of empowering youth through skill-based education, marking a significant milestone in its journey of shaping future generations. Over six decades, NTTF has transformed and equipped students with industry-relevant skills and fostering success in various technical fields. As part of this celebration, we spoke with Mr. Vinod Parackal, an NTTF alumnus and Senior Engineering Manager at Dell EMC, who shares his inspiring journey from completing Electronics Engineering to achieving a leadership role in the tech industry.

Meet the NTTF Alumnus who built an inspiring career in the Tech Industry

Interview with
Mr. Vinod Parackal
Senior Engineering Manager
Dell EMC (NTTF alumnus)

Mr. Vinod Parackal
Senior Engineering Manager
Dell EMC
(NTTF alumnus)

He highlights how NTTF's holistic training, combining technical expertise with soft skills, helped him navigate challenges and build a successful career. In this interview, Mr. Vinod Parackal also offers valuable advice to aspiring professionals on how work-integrated learning programs can equip them to meet the demands of today's dynamic industry.

Q. Could you share your journey starting from your Diploma in Electronics, Electrical, and Electronics Engineering?"

A. When I graduated in 2002, the industry was at a turning point. IT was in its early stages in India, and cities like Chennai and Bangalore were just beginning to establish themselves as tech hubs. There were limited companies initially, but I noticed a growing trend of more organizations setting up operations and offering better opportunities and packages.

CELEBRATION AT NTTF BURMA MINES TRAINING CENTRE (BNTC)

BNTC celebrated NTTF's 65th Foundation Day with a Dalma Hill trek, emphasizing holistic growth. The event also included a seminar by Mr. Indraneel Sarkar on ethics and professionalism, inspiring trainees to uphold integrity in their careers and concluded with a prize distribution ceremony for the Start-Up Idea Competition, celebrating the creativity and innovation of NTTF trainees.

FOUNDATION DAY FESTIVITIES

Foundation Day Celebrations at Pune NTTF Training Centre (PNTC)

The Pune NTTF Training Centre celebrated NTTF's 65th Foundation Day with a vibrant two-day event that brought together senior alumni, NGOs, and over 280 students from 8 schools along with their teachers. Filled with engaging activities and inspiring interactions, the celebration honored NTTF's legacy, fostered community connections, and motivated the next generation.

NTTF NEC's 65th Foundation Day March

NTTF Electronic City Centre (NEC) celebrated 65 years of excellence with a vibrant march, showcasing the unity, enthusiasm, and pride of students and staff while honoring NTTF's inspiring journey of empowering skills, shaping futures, and driving innovation for the future.

65 Years of Excellence and Annual Day Celebrations at DTC

Dharwad Training Centre (DTC) marked NTTF's 65th Foundation Day and Annual Day Celebration with a Press Meet at Dharwad Press Forum, graced by Mrs. G S Kalpana, Vice President. The event highlighted key milestones and future aspirations, reflecting NTTF's rich legacy of empowering generations through skill development, innovation, and excellence while inspiring future progress.

A Green Milestone at Belur Campus

Marking NTTF's 65th Foundation Day, 65 trees were planted at Belur Campus, symbolizing a commitment to sustainability. The event featured Guinness World Record holder and environmentalist Shri Pandit Munji, who shared his wisdom and was felicitated for his contributions. Mr. Sirish Uppin, Vice President of Belur Growth Centre, graced the occasion, making this celebration of green progress truly memorable.

CELEBRATIONS AT NTTF

65 Years of Excellence at NTTF TTC

NTTF Thalassery Training Centre (TTC) celebrated its 65th Foundation Day with a Technical Exhibition, rally, flash mob, and an inspiring session by first-batch alumnus Mr. Villiam David, who motivated trainees with his remarkable journey. The event highlighted the institution's legacy of skill development and youth empowerment, leaving a lasting impact on the community.

Marking 65 Years of Excellence at Trichy Training Centre

NTTF Trichy Training Centre celebrated 65 years with impactful activities, including a tree plantation for sustainability, a blood donation camp embodying care, and a project exhibition showcasing creativity and innovation.

Celebrations at Jamshedpur Training Centre (RNTC)

NTTF's 65th Foundation Day was celebrated with great pride and enthusiasm at the Jamshedpur Training Centre (RNTC). Trainees, staff, and alumni came together to honor six and a half decades of shaping futures and driving innovation. The event highlighted NTTF's enduring commitment to empowering generations through skill and knowledge. Here's to continuing this remarkable journey of excellence!

NTTF BTC's 65th Foundation Day Road Show

NTTF Bengaluru Training Centre, Peenya (BTC), marked NTTF's 65th Foundation Day with an energetic road show featuring a Cyclathon, Marathon, and Walkathon. Over 500 students and staff participated, highlighting the values of fitness, teamwork, and community spirit. The event embodied NTTF's legacy of dedication, enthusiasm, and a shared vision for skill development and innovation.

NTTF's 60th Convocation

NTTF's 60th Convocation was a grand celebration of our graduates' accomplishments and their journey toward a successful future. This milestone event highlighted NTTF's ongoing commitment to shaping skilled professionals and empowering the next generation of leaders. A moment to reflect on the remarkable achievements and the bright path ahead for all graduates.
